Dear Valued Customer,

Thank you for providing Westar Office Products with the opportunity to be of service to you.

It is my sincere expectation that you are completely satisfied with our service. I also hope that our service benefits you and you will take advantage of our expertise again in the future.

As you may have already noticed we've updated our website to a fresh exhilarating new format. The new website has a lot of exciting new features including a furniture area, a manufacture's rebate page and online sales flyers. We are also very excited to bring to you a new website address **www.westarofficeproducts.com**. We plan on using this URL as our main website address and it will also be used for email addresses. We will still support **www.thewestarco.com** for a short while; however, we encourage you to change over as soon as possible.

We at Westar Office Products are always interested in suggestions that would allow us to improve upon our high standards and encourage you to submit your thoughts and opinions. You can reach me directly at 832-367-7050 or by email at Robert@westarofficeproducts.com.

Again, thank you for the opportunity.

Sincerely,

Robert Champion
